**Re: Working Interest Ownership Report
S/2SW/4 Section 25, Block B-5, PSL Survey
Winkler County, Texas**

As requested, I conducted a search of the Texas County Government Records website for Winkler County, Texas for all instruments relevant to the working interest for the captioned land described as follows:

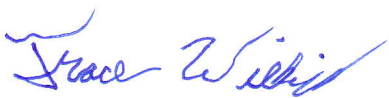

S/2SW/4, Section 25, Block B-5, PSL Survey, Winkler County, Texas.

The search, which covered all instruments observed online from Sovereignty to October 24, 2015, at 5:00 p.m., revealed the instruments in the attached Working Interest Ownership Report. I certify that the enclosed report, subject to the limitations set out below, contains all instruments relevant to the working interest for the herein described land.

I have found the online records of the Texas County Government Records, to be generally reliable though I am sure you understand that errors in indexing and recording are not extraordinary. So, while I have carefully conducted the search, I cannot be responsible for omissions due to indexing or recording oversights by the Texas County Government Records website. I am also not responsible for lack of inclusion of any instrument(s) filed of record that may contain errors in spelling of Grantors or Grantees names and/or inaccurate legal descriptions.

Should you have any questions or need any additional information, please contact me at your earliest convenience.

Yours truly,

Trace Wilkins
